# EVERYDAY LIVING

It is our goal to maintain the highest quality living environment for our guests.

## MAINTAINING YOUR COMFORT

We are located in a high-humidity coastal environment. Therefore, we encourage you to take proper precautions to ensure your comfort.

### VENTILATION AND MOISTURE CONTROL TIPS

- Close windows and doors in damp or rainy weather and keep windows open at all other times whenever possible.
- Try to maintain a room temperature between 50-80° F at all times.
- Clean on a regular basis.
- Wipe down and dry areas where moisture accumulates.
- Ventilate your kitchen when cooking or running the dishwasher. Continue until all excess moisture is removed from the room.
- Do not air-dry clothes inside or allow damp or moist stacks of clothes to lie in piles for extended periods of time.
- Thoroughly wipe and dry spills on carpet or floors.
- Do not overfill closets or storage areas.
- Cross-ventilate your entire apartment for at least 60 minutes a day, twice a day.

**Notify the Facilities Service Desk at (415) 405-0579 immediately of any:**

- Evidence of water leaks or excessive moisture in your apartment, storage room, garage or any other common areas.
- Evidence of mildew growth that cannot be removed by simply applying a common household cleaner or any area of mildew that reappears despite regular cleaning.
- Failure or malfunction with your heating or ventilation systems.
- Inoperable windows or doors.
- Musty odors that you notice in your apartment.
